PHILOSOPHY

The faculty and administration of Dodge County High School and representatives from the community have worked together to design a comprehensive and innovative curriculum that will enable each student to develop to his or her maximum potential in a constantly changing society.

We believe that all students have a right to, and that we have the responsibility to provide, adequate training to enable them to understand their pasts, relate to the present, and prepare for the future. The school system must concern itself with the physical, intellectual, social, moral, and emotional development of each student. It must aim to enrich his or her cultural and aesthetic values and to provide him or her with the opportunity to develop proficiency commensurate with his or her ability, achievement, and future plans. The environment of the school should be supportive of student effort and should encourage individuality. It should emphasize that how to think is more important than what to think. Our ultimate goal is that each individual will become a responsible and contributing citizen in the democratic society he or she enters.

GOALS

Consistent with our philosophy, the National Education Goals, and the Dodge Partnership for Education Excellence, we set the following goals:

- To identify students most at-risk for dropping out and provide programs necessary for early intervention and risk reduction.

- To maintain or increase student test scores on the Milestones Tests and Student Learning Objective Tests (DAPS) to be equal to or greater than the state and national averages.

- To implement additional programs such as McDonald’s Perfect Plus and Standard Candy’s Random Act of Kindness that recognize and reward positive student citizenship.

- To emphasize innovations, equipment, and competitions in the areas of math and science and to become competitive on a regional and state level, thus, encouraging our students to be among the first in the world in science and mathematics achievement.

- To ensure an environment conducive to learning that is free of drugs and violence.

- To provide through required courses, opportunities for students to arrive at a basic understanding of citizenship and its responsibilities in order to develop an awareness of the principles of democracy and opportunities for practical application of these principles.

- To provide through required courses, experiences through which students will develop basic knowledge, skills, attitudes, and values essential and meaningful to all in a democratic society.
• To provide through a broad range of elective courses, experiences through which students may develop specialized skills for post-secondary education, employment and life roles.

• To provide for individual differences through special instructional programs for all exceptionalities.

• To provide experiences to aid in the physical, social, and emotional growth and development of each student.

• To provide opportunities for cultural enrichment through curricular and extra-curricular activities.

• To provide guidance services adequate to enable each student to make realistic plans for his or her educational and vocational future.

• To provide necessary counseling services to help students deal with family, peer, and/or personal problems in a healthy manner.

• To provide a student activity program that will enable students to pursue individual interests, develop leadership qualities, and practice democratic program.

• To provide a well-equipped media center that will enhance the instructional program.

• To expose students to new trends in technology and provide opportunities for students to become skilled in the use of modern technology.

• To provide for the needs of the students and the community through a well-qualified professional staff committed to the implementation of the policies and programs of the school.

• To provide an environment conducive to learning in a school plant adequately planned, equipped, and maintained.

• To develop in each student an awareness of himself or herself as a person with unique abilities of definite moral and spiritual worth.
DODGE COUNTY SCHOOL SYSTEM MISSION STATEMENT

Where we are all about DODGE:

Dedicated to
Our
Desire to
Graduate
Everyone

SCHOOL PLAN

The aim of Dodge County High School is to promote a safe environment where all students have the right to learn in an orderly setting.

Any student involved in any gang/cult type activity or who is involved in any activity that causes or could cause problems at school is subject to suspension and/or expulsion. Likewise any dress, emblems, jewelry, wrags/bandanas/flags, etc. that symbolize involvement in any gang type activity are forbidden.

Clubs and student activities are designed for the enjoyment and enrichment of Dodge County High School students. All clubs and/or organizations are subject to the approval of the administration of Dodge County High School and the Dodge County Board of Education.

SCHOOL MISSION

The purpose of Dodge County High School is to prepare students to become lifelong learners with respect for themselves and others as they become productive citizens in our multi-cultural and technological society. Reflecting high expectations and strong community support, our competent staff accomplishes this purpose by providing a safe environment and curriculum that is both varied and challenging.

PARENTAL INVOLVEMENT

The DCHS administration and staff encourage parent involvement and participation in all aspects of the school’s programs. DCHS is a “Distinguished Title I” high school. Parents are informed of events taking place at DCHS and are provided information regarding programs, meetings, student progress, and parent involvement activities via the school handbook, parent advisory and school council meetings, DCHS website, by letter, student agendas, and through the local media.

Copies of the Dodge Co. School System’s Parent Involvement Policy and the DCHS Parent Involvement Policy are available to parents in the school’s media center, at Open House, in the Dodge Co. Board of Education office and the PIRC resource center.

PIRC (PARENTAL INVOLVEMENT RESOURCE)

Dodge County has the Heart of Georgia Parental Information and Resource Center (PIRC) available to help parents become actively involved in their children’s education. It is one of the key program areas within communities in schools of Georgia. The center has a computer lab with internet access, parenting materials (books, videos, etc.), children’s books for all ages, computer software, magazines, provides parenting workshops and adult computer workshops.

GRADUATION REQUIREMENTS

There is one common set of diploma requirements. All graduates will be prepared for college-entry courses AND the workplace without remediation. The Special Education
A diploma will depend on completion of the IEP.

**REQUIREMENTS FOR GRADUATION**

**PARTICIPATION IN DCHS GRADUATION CEREMONY**

Graduation from DCHS is an honor that must be earned, and participation in the formal Graduation Ceremony is a privilege, not a right. The High School Diploma shall be the official document certifying completion of all requirements for high school graduation. To receive a diploma, a student must have (1) accumulated the appropriate number of Carnegie Units, (2) met attendance guidelines, (3) met grade requirements, (4) maintained good conduct, (5) completed ALL financial obligations to the school, and (6) be in good standing with the school. To participate in the Dodge County High School Graduation Ceremony, candidates must have completed all requirements by 8:00 am on the first day of official graduation practice on May 23, 2017.

Graduation practice is mandatory, and a student may be excused only by having permission from the principal. Failure to follow and/or to comply with school rules, regulations, and procedures during practice and/or graduation may result in a student being dismissed from graduation practice and from participation in the graduation ceremony.

Only students enrolled at Dodge County High School can participate in the DCHS Graduation Ceremony. A student who attends the Performance Learning Center (PLC) may transfer back to DCHS only on the first day of a new semester and only if the student is on track to graduate with his graduating class.

For a senior to be eligible to transfer back from PLC to DCHS to participate in the DCHS Graduation Ceremony and to receive a DCHS diploma, a student must have met the criteria stated in 1-5 in paragraph one and be on track (have at least 19 completed credits) by the first day of the second semester (per the Dodge County School System calendar --- January 11, 2017) of his or her senior year. A PLC student that finishes his or her senior year and completes all credits/requirements at the PLC will receive a PLC Diploma and will not participate in the DCHS Graduation Ceremony nor will he or she be eligible to receive a DCHS diploma.

The only stole that may be worn by graduating seniors at Graduation is the Honor Graduate stole.

Dodge County High School Diplomas shall be awarded only to those students who
complete all requirements and attend DCHS a minimum of one semester during their graduating year.

Community Achievement Diplomas shall be awarded to pupils assigned to a special program who take the Georgia Alternative Assessment State Graduation Test and complete all of the requirements of their Individualized Education Program.

Through all of these requirements, our goal is for each student to be successful and to receive a diploma.

**GEORGIA MILESTONES AND DODGE ASSESSMENTS OF PROFICIENCY**

Beginning with the 2014-15 school year, the Georgia Milestone Assessments Tests and Student Learning Objective Tests (DAPS) will be administered in specific classes. Students are required to take the Georgia Milestones Assessments and the DAPs, and the grades will count as 20% of the final grade for the classes in which the tests are administered.

**DCHS MOVE ON WHEN READY (MOWR)**

The Move on When Ready (MOWR) Program (SB132) provides high school students the opportunity to earn dual credit by enrolling in eligible participating postsecondary institutions while in 9th - 12th grades. Students may take any course – Academic and CTAE courses or enroll in a Program (Associate Degree, Diploma, or Technical Certificate of Credit.) Students who participate in the MOWR Program must meet the requirements for high school graduation. The New High School Graduation option (SB2) is as follows:

- Course credits required for high school graduation can be earned through high school, MOWR, or a combination. Students also have the option of earning up to three courses through the test out option. It is the responsibility of the student, parents, and high school counselor to cross-reference course numbers to ensure dual credit is possible.

  Some courses required for high school graduation are not available at all postsecondary institutions for dual credit and must be taken at the high school in order to graduate from high school.

- All students must take the Georgia Milestones End of Course tests for the eight high school courses that require an End of Course test regardless of where the student completes the course.

- It is possible for a student to complete an associate degree, technical diploma, or two technical certificate programs in a career pathway providing the student meets the requirements of both.

**Important to Note:**

Participation in MOWR does not exempt the student from the requirements for high school graduation. MOWR does provide, in some cases, the opportunity to earn dual credit for some courses taken at a participating postsecondary institution. The participating high school determines if the postsecondary courses match high school courses for dual credit.

In addition, students and parents should know:
1. Students are REQUIRED to have two consecutive units of foreign language, one .5 unit of speech, and one full year credit of Introduction to Business Technology in order to earn Honor Graduate status (along with other GPA requirements) at DCHS. Some or all of these courses can be taken at the participating postsecondary institution if the course number is aligned to the corresponding high school course number.

2. NCAA requires mathematics core credits in Algebra I or Coordinate Algebra, Geometry or Analytic Geometry, and Algebra II or Advanced Algebra for a total of three core credits.

3. Students must meet all requirements of the MOWR Program including, but not limited to:
   a. Attending an advisement session with his or her parents and the high school counselor prior to enrolling in the MOWR Program.
   b. Attending an advisement session with the high school counselor every semester prior to enrolling in the new semester and prior to making any course/schedule changes once the semester begins. The Dodge County Board of Education strongly recommends that parents also attend each semester advisement session.
   c. Complete the online MOWR application every semester.
   d. Sign the student participation form every semester that the student participates in MOWR.
   e. Complete the Georgia Student Finance application every semester prior to the semester the student participates in MOWR.
   f. If all of the above criteria are not met, the student will not be considered a MOWR student and college fees will not be covered by Georgia Student Finance.

4. Averages for honor graduates and class rankings will be calculated at the end of the third nine weeks grading period according to Dodge County High School’s calendar. Only the averages of those classes that are required for high school graduation will be calculated when determining class rankings. Seniors enrolled in the MOWR program should be aware that credits for classes taken during the second semester will be calculated at the end of the second semester.

5. It should be noted that students attending USG, TCSG, or Private postsecondary institutions full-time will not be considered for GOAL Card calculations because GOAL Card calculations are based on nine weeks grades, and MOWR full-time students only receive final semester grades. GOAL Card calculations for part-time MOWR students will be calculated on high school courses only.

A student should have completed all documents to participate in Move on When Ready by the first day of school of the school year to declare dual enrollment status.

HOPE SCHOLARSHIP INFORMATION

Beginning with the Class of 2012, HOPE Scholars in the Single Diploma curriculum track must graduate from an eligible high school with a minimum of a 3.0 cumulative core grade point average on a 4.0 scale. Numeric averages are not accepted. Each grade that a student receives for attempted coursework (in English, Mathematics, Science, Social Studies, and Foreign Language) that would have satisfied a core curriculum graduation requirement for the Single Diploma if the student had successfully completed it, must be equated to a grade on a 4.0 scale, such that a grade of “A” equals 4.0, “B” equals 3.0, “C” equals 2.0, “D” equals 1.0, and “F” equals 0.

Grades in coursework that is classified as “Advanced Placement” or “International Baccalaureate” will be weighted by the Commission when calculating the grade point average for HOPE Scholarship Eligibility. Grades for Honors courses or other special courses will not be weighted by the Commission when calculating the grade point average for HOPE Scholarship eligibility. Beginning with the Class of 2007 and beyond, the above requirements will apply to all HOPE Scholarship recipients, regardless of their year of high school graduation. This is subject to change per legislature.

All students must complete the Free Application for Student Federal Aid (FAFSA) on-line at www.fafsa.ed.gov to become eligible for the HOPE Grant.

Revised September 2013
Per Georgia Student Finance Commission Georgia Student Finance Authority Georgia Higher Education Assistance Corporation GAcollege411

HOPE Rigor Requirements Pursuant to HB 326/O.C.G.A. Section 20-2-157
Graduating Classes of 2015, 2016 and 2017

Georgia Code 20-2-157 requires that certain rigor course credits must be earned in order for students to be eligible for a HOPE Scholarship. The requirements are as follows:

1) Advanced math, such as Advanced algebra and trigonometry, math III, or an equivalent or higher course;
2) Advanced science, such as chemistry, physics, biology II, or an equivalent or higher course;
3) Advanced Placement courses in core subjects (English, math, science, social studies, and foreign language);
4) International Baccalaureate courses in core subjects (English, math, science, social studies and foreign language);
5) Dual credit courses in Core subjects taken during Dual Credit Enrollment at an Eligible Postsecondary Institution;
6) Courses taken at a unit of the University System of Georgia in core subjects (English, math, science, social studies and foreign language) where such courses are not remedial and developmental courses; or
7) Advanced foreign language courses.
8) For a complete course listing of rigor courses, please call Counselors at 478-374-8263.

Students graduating from high school on or after May 1, 2016, must receive at least three credits in courses from the above categories, prior to graduating from high school; students graduating from high school on or after May 1, 2017, must receive at least four credits in courses from the above categories, prior to graduating from high school. Students may earn one
or more credits in each category; provided, however, that an earned course credit may only be counted one time toward the credit requirement. If a course is assigned one-half credit, the student must take another half-credit course in the categories listed in order to satisfy one course credit requirement. Students should review the credits assigned to courses to determine satisfaction of the above requirements.

A brochure about the program is available in the Counselor’s Office or at Internet Address: http://www.gacollege411.org. This program is dependent upon adequate funding from the Georgia Lottery for Education. Students should contact their Counselor for more information.

**SEMESTER SYSTEM**

At Dodge County High School, students may register for semester classes to earn ½ unit of credit upon successful completion or for yearly classes for a whole year to earn one unit of credit upon successful completion. Math, Language Arts, Science, Social Studies (except for American Government/Civics which is a semester class), and Career Tech classes are year-long classes. Courses may not be offered if enrollment is insufficient. Promotions are made at the end of the academic year. In order for a student to be promoted, he or she must meet the following guidelines:

- To be classified as a Sophomore, the student must have earned 5 units.
- To be classified as a Junior, the student must have a total of 11 units.
- To be classified as a Senior, the student must have a total of 17 units.

Designated courses must be taken in sequence. It is recommended that a student make up failed courses immediately in credit recovery, instructional extension, and/or summer school, when appropriate. If the student does not make up failed academic courses when appropriate and in a timely manner, the student will be scheduled in those courses at the beginning of the next school term. Students taking summer courses at another institution must receive prior approval from DCHS to insure proper credit.

**EXAMINATIONS**

The following schedule is recommended for all major tests (more than 20 minutes in length):

- Monday: Music, JROTC, & Physical Education
- Tuesday: English
- Wednesday: Social Studies, Foreign Language
- Thursday: Science, Vocational Subjects
- Friday: Math

**HOMEWORK POLICY**

Homework is an integral part of the educational process at Dodge County High School. Its purpose is to reinforce primary objectives encompassed through class discussions and/or activities. Therefore, the homework activities and amounts involved are left to the discretion of the teacher and are dependent upon the content studied and the intellectual ability of the class in question. Common sense and good judgement will be used by each instructor as assignments are made.

**ACADEMIC INTEGRITY**

Academic integrity is expected to be maintained at all times. Students caught cheating will be given a zero and not allowed to make up the work. Cheating can result in disciplinary action by the office. All incidents of cheating will be reported to the assistant principal’s office...
for inclusion in the student’s discipline file. Students should remember that any information taken from a written source must be appropriately documented. Failure to document appropriately will constitute plagiarism. Students who are unclear about assignments should get instructions from the teacher in writing.

**ACADEMIC CERTIFICATES**

Academic certificates may be given for a 93 overall average or above for each individual subject.

**EXEMPTIONS**

Students that have no absences, sign-outs, late sign-ins, or tardies for each nine weeks will be designated as McDonald’s Perfect Plus Recipients and may exempt their nine weeks exams if their grades are passing (70 or above). Any student in grades 9-12 who has attained a 90 or above average for the nine weeks in any class and who has not exceeded the attendance policy may be exempt from his/her nine weeks exam in that class.

**DEFICIENCIES**

Students will be issued deficiency reports near the mid point of each nine weeks grading period. Teachers will issue deficiencies to those students either failing or in jeopardy of failing for the nine weeks. STUDENTS ARE TO HAVE THEIR DEFICIENCY REPORTS SIGNED BY THEIR PARENTS OR GUARDIAN AND RETURN THEM TO THE TEACHERS WHO ISSUED THE DEFICIENCIES.

**REPORT CARDS**

Students will be issued report cards following each nine weeks marking period (45 school days). STUDENTS ARE TO HAVE THEIR REPORT CARDS SIGNED BY THEIR PARENTS OR GUARDIAN AND RETURN THEM TO THEIR ADVISORS.

The report card will present a record of the student’s grades and attendance according to the following schedule:

- A (90-100) Superior
- B (80-89) Good
- C (70-79) Average
- D (60-69) Below Average
- F (below 60) Failure
- I Incomplete
- NC Excessive Absences

Any student that receives a Non-Credit (NC) due to excessive absences must clear all NC’s immediately following the receipt of the NC by attending the appropriate number of make-up days and pay appropriate fees established by the local BOE. Students requesting special consideration must adhere to appeals procedures. If the student does not make up all NC’s immediately following the receipt of the NC, students will be rescheduled in those courses at the beginning of the next school term.

**QUALITY POINTS**

Quality Points will be awarded for all classes that exceed the graduation requirements necessary to meet the College Entrance-Academic Diploma. These points will be added to the student’s cumulative average each nine weeks for his or her willingness to exceed requirements for educational excellence.

Quality Points will be given for the following courses.

- Ninth, Tenth, Eleventh, & Twelfth Grade Honors English 2 points
- Honors Physical Science, Honors Biology, and Honors Chemistry 2 points
- Advanced Placement English/Calculus/Statistics/History/Chemistry/
Report card averages will reflect student’s average with the Quality Points already included. If a student’s Quality Points cause his or her average to exceed the maximum score of 100 points, the score will still reflect the Quality Points. (For example, the student earns an average of 97; however, with the addition of his five Quality Points, his report card will read 102). All cumulative averages, grade point averages, and class rankings will be figured with the addition of quality points.

No Quality Points will be awarded for summer school. Classes that are awarded Quality Points may vary from year to year based on course offerings.

**HONOR ROLL**

Students obtaining a 90 or above average in each high school level subject per grading period will be issued a Citizens Bank and Trust Goal Card recognizing honor roll status. This card will allow students admittance to all school games and designated events free of charge. Should a student’s grade drop below an A in any subject, the student will be required to surrender his or her cards.

**AB HONOR ROLL**

Students obtaining A’s and B’s in each high school level subject per grading period will be issued a Citizens Bank and Trust AB Honor Card recognizing AB honor roll status. This card will allow students admittance to several school games and designated events free of charge. Should grades drop below A’s and B’s in any subject, students will be required to surrender their cards.

**HONOR GRADUATES**

Beginning with ninth graders who enter high school in the 2013-14 school year and beyond, to be eligible to be an Honor Graduate, a student will have earned two units of the same foreign language, ½ unit of speech, one (1) full unit of Introduction to Business Technology, and earned an overall academic average of 94.

A student who does not have a 94 average, but who has maintained a 90 average and has a score of 1185 or better on the verbal and math sections on the SAT, or a composite score of 26 or better on the ACT, and has met all requirements will be considered an honor graduate. Averages for honor graduates and class rankings will be calculated at the end of the third nine weeks grading period according to Dodge County High School’s calendar. All classes are calculated when determining class rankings. Seniors enrolled in the ACCEL program should be aware that credits for classes taken during the second semester will be calculated at the end of the second semester. All honor graduates including the first four honor graduates will be determined at the end of the third nine weeks grading period. Honor graduates will not be exempt from final exams unless they have a 90 overall average or above in each individual subject.

The Ushers and Marshals (top two Juniors) and the Georgia Certificate of Merit recipients will also be determined at the end of the 3rd 9 weeks grading period.
Selection of Valedictorian/Salutatorian

The senior with the highest cumulative numerical grade point average at the end of the third nine weeks shall be named Valedictorian/First Honor Graduate; the senior with the second-highest cumulative grade point average at the end of the third nine weeks shall be named Salutatorian/Second Honor Graduate. The Valedictorian and Salutatorian graduates represent the best performance at DCHS; therefore, for a student to be named Valedictorian or Salutatorian, his or her enrollment in classes at DCHS for a minimum of four (4) semesters is a requirement.

PROCEDURE FOR CHANGING CLASS SCHEDULE

When a student desires to change his/her schedule, he/she should make the request to his/her advisor for approval. The request, if approved by advisor, is then submitted to the counselor for further approval or rejection. The counselor will notify the student of the change or rejection of the change. If approved, the student is scheduled for an appointment with the counselor for further processing. The counselor will issue the student a new schedule. Now the student must:

1. Take the new schedule to the teacher of the subject being dropped. THE STUDENT MUST NOT LEAVE THIS TEACHER WITHOUT RETURNING BOOKS AND OBTAINING HIS/HER SIGNATURE.
2. Take the new schedule to the teacher of the subject to be added. This teacher must add the student’s name to his/her roll.
3. New class rolls will be given to teachers after each day of changes.

CHANGE OF NAME, ADDRESS, OR PHONE NUMBERS

Students must notify the counselor’s office of any changes of name, address, or phone number.

PROCEDURE FOR WITHDRAWING FROM SCHOOL

1. Authorization/Written permission for withdrawal must be made in person by parent or legal guardian.
2. Appropriate forms must be obtained from the guidance office.

Before and after school the buildings and parking lots are off limits to any student who does not have official business with a teacher or office. The school building will not be officially open to students until 7:15 a.m. Students arriving prior to 7:15 a.m. must report to the picnic area or cafeteria. Students need to remember that once they step on the campus or board a school bus, they
are considered to be officially at school. Any student who leaves campus for any reason without following the appropriate checkout procedures will be subject to disciplinary action. The rule applies even if you leave before first period starts.

School ends daily at 3:15 p.m. Students must leave the building by 3:30 p.m. unless they are involved in extracurricular activities and under the supervision of a staff member. General supervision of students ends daily at 3:45.

Official business is described as an office excuse or teacher’s note admitting the student to his or her room.

SCHOOL VISITORS’ REGULATIONS

All visitors must report to the principal’s office to sign in and for a visitor’s permit. Students should not ask to bring visitors during times when other schools are dismissed. To enhance student safety as well as to comply with Georgia law, “any person who is not a student at such school, an employee of the school system, a school board member, an approved volunteer following the established guidelines of the school or a person who has been invited to or otherwise authorized to be at the school by a principal, teacher, counselor, or other authorized employee of the school shall check-in at the designated location as stated on posted signs and provides a reason for his or her presence at school immediately upon entering the campus.” Unless otherwise allowed by state law, the person failing to check in at the designated location may be guilty of a misdemeanor.” The buildings are off limits to any person not enrolled in this school that does not have legitimate business with the school. It is critical that parents discuss their child’s medical condition(s) with the school nurse or her designee.

POSITIVE BEHAVIORAL INTERENTIONS AND SUPPORTS

PBIS (Positive Behavioral Interventions and Supports) is a school-wide approach to discipline and a process for creating safer and more effective schools. PBIS is a systems approach to enhancing the capacity of schools to educate all children by developing research based, school-wide, and classroom discipline systems. The process focuses on improving a school’s ability to teach and support positive behavior for all students. With PBIS, instructional time is more effectively used for teaching and the overall school environment is calm and conducive to learning.

PBIS Mission Statement:
Building character and teaching responsibility by developing, outstanding, accountable, respectful students within a safe learning environment.

PBIS promotes optimal student achievement (academic and behavior) by using a proactive systems approach for creating and maintaining a safe and effective learning environment by utilizing a Positive Behavior Interventions & Supports system.

Appropriate student behaviors, found on the behavior matrix, are acknowledged in the classroom, within the team, and by the school. The DCHS behavior matrix will be posted throughout the school, on the website, and in each classroom.

At Dodge County High School our school expectations are represented by the letters PRIDE.

**STUDENT OFFENSES AND DISCIPLINARY PROCEDURES**

**OFFENSE-DISPOSITION**

The purpose of high school is to prepare students for a meaningful life in the 21st century where they are good citizens, economically self-sufficient and respectful of themselves and others. A school should promote good character and good behavior and provide positive learning experiences. This process becomes limited when students choose to be either disruptive or non-conforming. Research shows that students learn best and teachers provide the best instruction in a safe and orderly environment. Students who choose to violate school rules and policies will be disciplined or receive consequences immediately.

Counseling is an extremely important part of the discipline process. Student assistance programs and counseling are available to all students to help them identify and correct the specific causes of discipline problems. Parents are strongly encouraged to contact counselors and teachers should discipline problems arise with their child. All disciplinary actions include consequences that directly affect the student’s academic and/or social agenda. Offenses involving drugs, alcohol, violence, sexual harassment, or theft are considered extremely serious and may result in immediate suspension, recommendation for expulsion, referral to a tribunal, and involvement of law enforcement officials.

In accordance with discipline procedures of Dodge County School System, offenses and required or recommended guidelines are outlined below for the information of school personnel, students, and parents. Dodge County High School uses a progressive discipline system. The consequence severity will increase with each reported incident. Each student will be punished according to the particular incident and his/her cumulative discipline history.

The following is a list of consequences used at Dodge County High School:

1. **Teacher Detention**
   The teacher sets teacher detention based on his/her schedule. Teachers have the discretion to hold their detention in the morning, during break, or after school. Teachers are considered to be the first line of defense in discipline problems. Parents are encouraged to help the school solve the problem before it goes beyond this stage. Students who fail to serve detention assigned by teachers will be referred immediately to an administrator.

2. **Conferences**
   Meetings involving the student, parent, teacher, and a counselor are used as a means of intervention prior to an office referral. Parents are encouraged to set up conferences with
teachers at the first sign of a problem in the classroom through the counseling offices. Many times minor problems can be eliminated at this stage. Parents are encouraged to communicate regularly with teachers through the school email system. Parents can reach any school employee through school e-mail. Addresses are assigned as firstinitiallastname@dodge.k12.ga.us.

3. **Corporal Punishment**
Corporal punishment is offered as an option for minor discipline offenses.

4. **Supervised Cleanup (SC)**
Only an administrator may assign supervised cleanup. SC is held Monday-Friday both before school and after school. Morning SC meets outside the attendance office at 7:45 a.m. Afternoon SC meets in the rotunda and is held from 3:15 to 3:45. Tardiness to SC will not be tolerated. Students will not be permitted to stay for SC if they are tardy. Missing SC may result in additional days added or assignment to In-School Suspension.

5. **Supervised Lunch (SL)**
SL is assigned to students who are tardy to school/class. Students are allowed two unexcused tardies per semester. On the third and subsequent unexcused tardy, a student will be disciplined appropriately. Four days of SL are assigned for each tardy after the first two. A student who is tardy ten times will be sent to ISS. If a teacher keeps a student, the student should get an excused tardy from that teacher. **Car trouble is not excused.** Tardies for illness are unexcused unless parents contact the assistant principal’s office within 24 hours after the student returns to school.

6. **In-School Suspension (ISS)**
The purpose of In-School Suspension is to remove the disruptive student from the classroom and to **still afford the student the opportunity to complete assigned work.** Students assigned to ISS must report to the ISS room upon arriving at school. Students who receive discipline referrals while serving an assignment in ISS will be assigned additional days or suspended home. If a student is suspended home, he or she cannot return to DCHS without his parent or legal guardian returning with him or her for a meeting with the principal. Students will not be allowed to eat, sleep, drink, talk, or communicate in any way with other students while in ISS.

***Board of Education Policy adopted April 9, 2009: When a student has been sent to In-School Suspension for any reason, he or she may not participate in any extracurricular activity including the DCHS Prom when he or she is in ISS. This punishment starts at 8:22 a.m. of the first day assigned and is complete at 3:15 pm on the day the student finishes his or her assignment.

7. **Restitution**
In certain situations where damage and/or theft have occurred, restitution may be required as part of the disciplinary action. The principal will make this determination.

8. **Out of School Suspension (OSS)**
Students who receive OSS will receive an unexcused absence for the days of the suspension and will also lose credit in the classroom for any assigned work during the suspension. If a student is suspended home (OSS), he or she cannot return to DCHS without his parent or legal guardian returning with him or her for a meeting with the principal.

9. **Notification of Law Enforcement Officials**
Per Board of Education policy, severe disciplinary offenses may require notification of law enforcement officials.
enforcement officials. In addition, law enforcement officials may be notified during other
circumstances that the principal deems necessary for student/faculty safety or disruption of the
school day. Once an issue is turned over to the authorities, they determine the legal
consequences issued. The student’s disciplinary consequences at school will be determined by
the Administrative Team at DCHS.
10. **Expulsion**
For a serious disciplinary offense, the Administrative Team may recommend that the student be
expelled from the Dodge County School System. If this occurs, the student is entitled to due
process.
11. **Alternative School Placement**
In serious discipline situations where the Administrative Team is recommending suspension
with recommendation for expulsion from Dodge County High School, a student may be given
the option of attending Dodge Achievement Center. Placement is typically assigned for one
semester, but the assigned time may be longer depending on the severity of the offense.

***Any student serving any out-of-school suspension, expulsion, DAC placement, or other
alternative school placement will be prohibited from attending and/or participating in any
curricular and extra-curricular activities. Any student who begins DAC placement or other
alternative school placement for disciplinary consequences the same school year that he or she
is eligible to graduate or becomes eligible to graduate will not be allowed to participate in the
formal graduation ceremony.

12. **Board of Education Discipline Tribunal Hearing**
In severe situations or situations where parents are appealing a disciplinary recommendation
made by the school, a Board of Education Tribunal Hearing may be used. This hearing will be
held at the Board of Education building in Eastman and will be an official taped proceeding.
Attorneys are allowed at this level.

**ATTENDANCE POLICY**

The Dodge County School System’s Official policy is that a student absent for more than 7 days per semester for a semester course or 14 days for a year-long course will not receive credit for course work. **DISMISSALS ARE INCLUDED IN DAYS MISSED IN CLASS.** Students who exceed 7 days per semester or 14 days for a year-long course may be allowed to receive their credits upon completion of approved make-up days and payment of a monetary charge for attendance at those make-up days.

**Un-excused absences:** All absences not excused by the office are un-excused. Students will not be allowed to make up work for an un-excused absence. These students will receive a zero grade for work missed including tests. Suspensions are un-excused absences, unless the suspension is served in the alternative school.

**Disciplinary Hearing Suspensions:** If a student is involved in a discipline incident, and he/she and his/her parents/legal guardian elect to go before a disciplinary tribunal for a formal hearing, if the student is found not guilty by the tribunal, any absences accrued during the suspension period will be excused by the school.

**Excused absences:** All absences excused by the office are excused. Students will be able to make up work assignments and to turn them in on the assigned date. Make up work will be
due one week after the student returns to school. There will be a one-day grace period on parental notes and three days on legal excuses (ex. doctor, dentist, court, etc.). Legally excused absences will count as one of the 7 days allowed. **Excuses must be picked up by the student in the lunchroom before school, or a tardy will be issued by the attendance office for entry to class.**

**Unlawful absences and/or truancy:** Penalty may also include referral to a social worker and/or juvenile authorities. The Georgia State Law requires that the student’s school year consist of 180 days and he or she attend school to age 16. Absences defined by Georgia Law are:

A. Illness;
B. Death in family;
C. Religious holiday;
D. Instances in which attendance could be hazardous as determined by the Dodge County School System;
E. Service as a Page in Legislature.
F. A student whose parent or legal guardian is in military service in the armed forces of the U.S. or the National Guard, and such parent or legal guardian has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, shall be granted excused absences, up to a max of five school days per school year, for the day or days missed from school to visit with his or her parent or legal guardian prior to such parent’s or legal guardian’s deployment or during such parent’s or legal guardian’s leave.

**Hospital/Homebound:** Definition: H/B refers to those students who have medically diagnosed physical conditions that restrict them to their homes or hospitals for a period of time that will significantly interfere with their educations. Eligibility and placement information may be obtained from the counselor’s office or the assistant principal’s office if such physical conditions exist.

**Student Pregnancies:** Days absent due to pregnancies may be excused; however, all work missed must be made up. * Detailed information about this procedure must be obtained from the counselor’s office.

**College Visitations:** Students will be allowed one excused absence for the purpose of visiting universities, colleges, technical or vocational schools. **All college visits must be pre-approved through the attendance office.** For visits to be counted as excused, students must furnish the Attendance Office an official letter from the institution visited. This letter must be on official letterhead of the institution and must include the student’s name, the date visited, and a brief statement of activities the student engaged in during the visit. An official of the institution must sign the letter. Approved college visitation days are counted as excused absences. Students should be allowed to make up work.

**Non-instructional day (Field trip):** Days absent due to field trips (FTR) are excused; however, all work missed must be made up. A student is allowed **ten** (10) non-instructional days per school year. Any field trip day over ten is an excused absence.

**APPEALS PROCEDURES:** **NOTE:** Students desiring an appeal may obtain information
from the assistant principal’s office. The administration of Dodge County High realizes that occasionally students’ absences may be more than the 7-day limit. When the student feels he has justification for an appeal, he may contact the assistant principal and request to appear before an absentee appeal committee. The absentee appeal committee shall hear the student’s request and approve or reject the appeal for waiver of the policy. If the request is rejected, the appeal for a waiver may still be made to the superintendent and/or the Dodge County Board of Education.

**TRANSPORTATION POLICY FOR FIELDTRIPS/ATHLETIC TRIPS**

1. All students must ride school transportation to all activities unless special circumstances exist. In these instances, parents must obtain permission to transport from the head coach and/or Athletic Director, the Director, or the Advisor/lead teacher. A parent or legal guardian may SIGN students out and must make visual contact with the coach/sponsor in charge of the sporting event or field trip in order for students to not ride school bus.

2. The head coach and/or Athletic Director, the Director, or the Advisor/lead teacher will assign students to a bus before leaving on any trip. Head coach and/or Athletic Director, the Director, or the Advisor/lead teacher will use an attendance list for taking attendance to verify attendance every time the bus changes locations and students disembark and/or board bus. Students will be expected to ride the same bus for the duration of each trip.

3. The head coach and/or Athletic Director, the Director, or the Advisor/lead teacher will take attendance from established bus roster before initial departure of bus(es) and each time students exit and reboard bus. Roster and itinerary (if necessary) will be located at the front of each bus used on trip and signed off by head coach and/or Athletic Director, the Director, or the Advisor/lead teacher on each bus on final exit from bus.

4. The head coach and/or Athletic Director, the Director, or the Advisor/lead teacher will give a copy of bus roster to the DCHS attendance office at least 15 days prior to trip. Sports teams should email and give a hard copy of sports rosters and schedules, including early release times, to attendance office by August 1 for fall sports, October 15 for winter sports, and February 15 for spring sports. Head coaches of said sport are responsible for letting attendance office and school know of any changes to rosters and schedules.

5. The head coach and/or Athletic Director, the Director, or the Advisor/lead teacher is to maintain (in their possession for the duration of the trip/event) a passenger list with emergency contact numbers.

6. Written parental permission is required for students participating in each field trip or once per sports season for recurring away events.

7. The head coach and/or Athletic Director, the Director, or the Advisor/lead teacher shall make a notation on the permission form of any student with a health concern and carry a copy of this information on the trip.

**INCOMPLETES/MAKE UP WORK**

Students with excused absences will be allowed to make up work missed. It is the student’s
responsibility to obtain the appropriate make-up work from their teachers. All incompletes/make up work must be completed within one week after the student returns to school. Failure to clear incomplete/make-up work assignments will result in an automatic zero for the work missed. The time and nature of the work may be designated by the teacher during the official working hours - 7:45 AM - 3:45 PM. Students with un-excused absences will not be given an opportunity to make up work and/or clear incompletes.

Effective July 1, 2015, schools will have to certify that a student is enrolled in and not under expulsion from a public or private school to be eligible for a driver’s license or learner’s permit. A Certificate of Enrollment form will be provided by the school to the student to certify that a student is eligible for a driver’s license or learner’s permit.

Lockers are school property and may be searched for reasonable cause(s). Lockers are also subject to search by a drug dog as deemed necessary by school officials. A misplaced combination is subject to a $1.00 recovery fee. Students are expected to keep their lockers clean and neat. Students may not share a locker, and students should not write in their lockers. Students may visit their lockers according to the following schedule:

- Visits are to be before and after school; 1st break; between classes at the risk of an un-excused tardy.
- No visits during advisement or during any portion of the instructional/class times unless it is an absolute emergency.

SEARCHING STUDENTS

Any student may be searched with a duly issued warrant. Any student may be searched without a warrant where there is reasonable suspicion and such circumstances that make it impractical to secure a warrant. (Example: Where a student is obviously under the influence of drugs, or where school officials have reasonably reliable reports or reasonable suspicion that the student possesses drugs and/or dangerous weapons and where the student could get away if the authorities delayed to get a warrant.)

Other conditions under which school authorities would be acting properly in searching a student or his possessions without a warrant are:

a. If the student has consented.
b. If the contraband item is in plain view;
c. If the evidence or contraband is discovered while responding to an emergency;
d. If the official has reasonable suspicions to believe the individual is armed and dangerous; and
e. In all other circumstances where the school official acts to protect the life, property, and health of students, teachers, and other individuals.

Cars, book bags, or other private possessions may be searched by school officials and/or a drug-sniffing dog where deemed necessary when private property is brought onto school property.

To Dodge County Students and Parents:

The Student Code of Conduct is provided to serve as an overview of the various discipline strategies and actions used in the Dodge County School System. As you review the information contained in this code, you will observe that the disciplinary actions range from warnings or counseling to expulsion. Your knowledge of the information contained in this Code of Conduct will hopefully help us to maintain a positive school climate in our schools. Please be aware that further details regarding discipline can be found in the student handbooks for each school. The following information supports rather than replaces the information you may find in the individual school's student handbook. This Code of Conduct is not an all-inclusive list of misconduct for which a student may be disciplined. An act of misconduct not listed will be subject to the discretionary authority of the principal. Violations of the Code of Conduct and/or with local, state, and federal law may result in the termination of the opportunity to participate in extracurricular activities.

One discipline strategy utilized by our schools is In-School Suspension (ISS). This program serves as an alternative for students who would otherwise be suspended home. Students and parents are also reminded that actions which are in violation of local, state, or federal law may result in the notification of the appropriate law enforcement agency.

The Dodge County School System operates the Dodge Achievement Center. This program serves as an alternative to suspending or expelling students completely out of the school system. This allows students to continue with their studies until they can eventually graduate or return to regular school.

The Board of Education and the Dodge County School System seek the support of both parents and students in their approaches to student discipline. Overwhelmingly, we support the notion that our schools need to be safe places to learn.

This code of conduct and its rules and regulations are effective during the following times and in the following places:
1) on school grounds at any time.
2) off school grounds during a school activity, function, or event.
3) en route to and from school.
4) en route to and from school functions, activities, or events.

Please review the discipline code that follows. We earnestly desire your support for an effective school discipline program.

Mr. T. Michael Hilliard, Superintendent

Revised July 2015
Dodge County Schools Student Code of Conduct

It is the purpose of the Dodge County School District to operate each school in a manner that will provide an orderly process of education and that will provide for the welfare and safety of all students who attend the schools within the district. In accordance with that purpose, the Board of Education has adopted a policy which requires all schools to adopt codes of conduct which requires students to conduct themselves at all times in order to facilitate a learning environment for themselves and other students. These standards for behavior require students to respect each other and school district employees, to obey student behavior policies adopted by the Board and to obey student behavior rules established at each school within the district.

The school’s primary goal is to educate, not to punish; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions may be necessary for the benefit of that individual and the school as a whole. Accordingly, students shall be governed by policies, regulations and rules set forth in this Code of Conduct.

The Code of Conduct is effective during the following times and in the following places:

- At school or on school property at any time;
- Off school grounds at any school activity, function or event and while traveling to and from such events;
- On vehicles provided for student transportation by the school system and at school bus stops.

Also, students may be disciplined for conduct off campus which could result in the student being criminally charged with a felony and which makes the student’s continued presence at school a potential danger to the persons or property at the school or which disrupts the educational process.

Major offenses including, but not limited to, drug and weapon offenses can lead to schools being named as an Unsafe School according to the provisions of State Board Rule 160-4-8-.16, Unsafe School Choice Options.

Parents are encouraged to become familiar with the Code of Conduct and to be supportive of it in their daily communication with their children and others in the community.

Authority of the Principal

The principal is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. In cases of disruptive, disorderly or dangerous conduct not covered in this Code as well as those within the Code, the principal may undertake corrective measures which he or she believes to be in the best interest of the student and school provided any such action does not violate school board policy or procedures.

Progressive Discipline Procedures

When it is necessary to impose discipline, school administrators and teachers will follow a progressive discipline process. The degree of discipline to be imposed by each school official will be in proportion to the severity of the behavior of a particular student and will take into account the student’s discipline history, the age of the student and other relevant factors.

The Code of Conduct provides a systematic process of behavioral correction in which inappropriate behaviors are followed by consequences. Disciplinary actions are designed to teach students self-discipline and to help them substitute inappropriate behaviors with those that are consistent with the character traits from Georgia’s Character Education Program.

The following disciplinary actions may be imposed for any violation of this Code of Conduct:

- Warning and/or Counseling with a School Administrator or Counselor
- Loss of Privileges
- Time Out
- Temporary Removal from Class or Activity
• Notification of Parents
• Parent Conference
• Corporal Punishment
• Detention
• Temporary Placement in an Alternative Education Program
• Short-term Suspension
• Referral to a Tribunal for Long-term Suspension or Expulsion
• Suspension or Expulsion from the School Bus
• Referral to Law Enforcement or Juvenile Court Officials: Georgia law requires that certain acts of misconduct be referred to the appropriate law enforcement officials. The school will refer any act of misconduct to law enforcement officials when school officials determine such referral to be necessary or appropriate.

The maximum punishments for an offense include long-term suspension or expulsion, including permanent expulsion, but those punishments will be determined only by a disciplinary tribunal as outlined in the Dodge County Board of Education policies.

Parents or students may elect not to contest whether a student has violated the Code of Conduct or the appropriate discipline, and in such cases, an agreement may be negotiated which would include the parents or students waiving a right to a hearing before a disciplinary tribunal. Such an agreement and waiver must be approved by the parents and administrators from both the home school and the Dodge Achievement Center.

Before a student is suspended for ten days or less, the principal or designee will inform the student of the offense for which the student is charged and allow the student to explain his or her behavior. If the student is suspended, the student’s parents will be notified if possible. School officials may involve law enforcement officials when evidence surrounding a situation necessitates their involvement or when there is a legal requirement that an incident be reported.

School officials may search a student if there is reasonable suspicion the student is in possession of an item that is illegal or against school rules. Student vehicles brought on campus, student book bags, school lockers, desks and other school property are subject to inspection and search by school authorities at any time without further notice to students or parents. Cell phones/multi-media/electronic devices taken from students due to possession and/or use in violation of school rules are subject to having their contents searched. Students are required to cooperate if asked to open book bags, lockers or any vehicle brought on campus. Metal detectors and drug or weapon sniffing dogs may be utilized at school or at any school function, including activities which occur outside normal school hours or off the school campus at the discretion of administrators.

Student Support Processes

The Dodge County Board of Education provides a variety of resources which are available at every school within the district to help address student behavioral problems. The school discipline process will include appropriate consideration of support processes to help students resolve such problems. These resources include Response to Intervention, Student Support Teams, school counselors, and chronic disciplinary problem student plans.
Through one or more school or school related organizations, students may have access to a mentor. Parents who are interested in their child being assigned a mentor should notify the school principal of this desire.

**Parent Involvement**

This Code of Conduct is based on the expectation that parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communication through personal contacts is extremely valuable; therefore, they provide information to parents as well as on-going opportunities for school personnel to hear parents’ concerns and comments. Parents and students should contact the principal of the school if specific questions arise related to the Code of Conduct.

The Code of Conduct specifies within its standards of behavior various violations of the Code which may result in a school staff member’s request that a parent or guardian come to the school for a conference. Georgia law mandates that any time a teacher or principal identifies a student as a chronic disciplinary problem student, the principal shall notify by telephone call and by mail the student’s parent or guardian of the disciplinary problem, invite the parent or guardian to observe the student in a classroom situation, and request at least one parent or guardian to attend a conference to devise a disciplinary and behavioral correction plan.

Georgia law also states that before any chronic disciplinary problem student is permitted to return to school from a suspension or expulsion, the school shall request by telephone call and by mail at least one parent or guardian to schedule and attend a conference to devise a disciplinary and behavioral correction plan.

The law allows a local board of education to petition the juvenile court to require a parent to attend a school conference. If the court finds that the parent or guardian has willfully and unreasonably failed to attend a conference requested by the principal pursuant to the laws cited above, the court may order the parent or guardian to attend such a conference, order the parent or guardian to participate in such programs or such treatment as the court deems appropriate to improve the student’s behavior, or both. After notice and opportunity for hearing, the court may impose a fine, not to exceed $500.00, on a parent or guardian who willfully disobeys an order of the court under this law.

**Visitors on Campuses and in Schools**

To enhance student safety as well as to comply with Georgia law, “any person who is not a student at such school, an employee of the school or school system, a school board member, an approved volunteer following the established guidelines of the school or a person who has been invited to or otherwise authorized to be at the school by a principal, teacher, counselor or other authorized employee of the school shall check in at the designated location as stated on posted signs and provide a reason for his/her presence at the school immediately upon entering the campus. Unless otherwise allowed by the state law, the person failing to check in at the designated location may be guilty of a misdemeanor.

**Student Conduct on School Buses**

The goal of the Transportation Department of the Dodge County Board of Education is to transport children in a safe and timely manner to and from school. While the law allows the school system to furnish transportation, it does not relieve parents of students from the responsibility of supervision until such time as the child boards the bus in the morning and after the child leaves the bus at the end of the school day. Once the child boards the bus, and only at that time, does he or she become the responsibility of the school system. Such responsibility shall end when the child is delivered to the appropriate bus stop at the end of the day.
It is the intent of the Dodge County School System to operate a safe and efficient transportation program for students. Such intent is predicated on desirable behavior of bus passengers and consequences of misbehavior. Bus incidences will be dealt with by the Transportation Director and a school administrator. Since the bus is considered an extension of the classroom, discipline for incidents on the bus may also include discipline on the school level as well.

**Bus Misbehavior**

The following specific provisions shall govern student conduct and safety on all school buses:

1. All provisions of the Student Code of Conduct apply to behavior on the school bus, including but not limited to, acts of physical violence as defined by Code Section 20-2-751.6, bullying as defined by subsection (a) of the Code Section 20-2-751.4, physical assault or battery of other persons on the school bus verbal assault of other persons on the school bus, disrespectful conduct toward the school bus driver or other persons on the school bus, and other unruly behavior;

2. Students shall be prohibited from using any electronic devices during the operation of a school bus, including but not limited to cell phones; pagers; audible radios, tape or compact disc players without headphones; or any other electronic device in a manner that might interfere with the school bus communication equipment or the school bus driver’s operation of the school bus.

3. Students shall be prohibited from using mirrors, lasers, flash cameras, or any other lights or reflective devices in a manner that might interfere with the school bus driver’s operation of the school bus.

4. If a student is found to have engaged in physical acts of violence and defined by Code Section 20-3-751.6, a student shall be subject to the penalties set forth in such Code Section. If a student is found to have engaged in bullying as defined by subsection (a) of Code Section 20-3-751.4 or in physical assault or battery of another person on the school bus, a meeting of the parent or guardian of the student and the appropriate school district officials will be held to form a school bus behavior contract for the student. Such contract shall provide for progressive age-appropriate discipline penalties, and restrictions for student misconduct on the bus. Contract provisions may include, but shall not be limited to, assigned seating, ongoing parental involvement, and suspension from riding the bus. If a student is suspended from one bus route, he or she may not ride another to and from school.

**Student Behavior Expectations**

**Outside the bus pupils shall:** Be at the designated bus stop at scheduled time; Never stand or play in the roadway; Line up orderly and safely away from the traffic lane until the bus has completely stopped; Board the bus in a safe and orderly manner without pushing or shoving; Follow the bus driver’s instruction carefully by proceeding safely and alertly when getting off the bus and/or crossing the roadway; Exit the bus at their assigned stop, unless prior written permission from the parents has been given to the school and subsequently to the driver; Go home promptly after leaving the bus at the end of the school day.

**Inside the bus pupils shall:** Go immediately to their seats and courteously share seats with others boarding the bus; Sit in assigned seat (Bus Drivers have the authority to assign seats.); Be held responsible for any vandalism that may occur to the seats in which they ride. (Promptly report any damage found to the bus driver.); Change seats only with the bus driver’s permission, and only when the bus is not in motion; Get on or off the bus only when it is completely stopped; Cooperate with any bus monitor on duty; Cooperate with the bus driver to keep the bus clean. Eating and drinking on the bus are prohibited; Observe classroom conduct, except for ordinary conversation, to enable the bus operator to give attention to safe driving; Keep head and limbs inside the bus windows at all times; Report any open exit or released latch to the bus driver immediately; Provide enrollment information to bus driver as requested.

**Consequences of Inappropriate Behavior**

Consequences for inappropriate behavior on the school bus may consist of the following based on the severity and nature of the behavior:

- Verbal Warning by Driver/Administrator
- Written warning
- Written referral
- Meeting with Parent
- Loss of bus privileges for 3, 5, 10 days
- Loss of bus privileges for the semester or school year
- Any other appropriate consequence as prescribed the school Code of Conduct, Student Handbook, or Georgia State Law

**Notification of Rights Under PPRA**
The Protection of Pupil Rights Amendment (PPRA) gives parents and students who are 18 or older or emancipated minors (“eligible students”) certain rights regarding the school district’s conduct of surveys, collection and use of information for marketing purposes, and conduct of certain physical exams. These include the right to:

1. **Consent to federally funded surveys concerning “protected information”**. If the U.S. Department of Education funds a survey in whole or in part, a student's parents or an eligible student must consent in writing before the student may provide information relating to the following categories:
   - Political affiliations;
   - Mental or psychological problems of the student or student’s family;
   - Sexual behavior or attitudes;
   - Illegal, anti-social, self-incriminating, or demeaning behavior;
   - Critical appraisals of student’s family members;
   - Privileged or similar relationships recognized by law, such as with attorneys, doctors, and ministers;
   - Religious practices, affiliations, or beliefs of the student or student’s parents; or
   - Income other than that required by law to determine program eligibility.

A survey that concerns any of these points is called a “protected information survey.”

2. **Opt out of certain surveys and exams**. Parents and eligible students will receive notice of any of the following activities and will have the right to opt out of them:
   - Activities involving collection, disclosure, or use of personal information obtained from students for purposes of marketing or selling or otherwise distributing the information to others;
   - Any protected information survey, regardless of funding; and
   - Any non-emergency, invasive physical exam or screening required as a condition of attendance administered by the school or its agent and scheduled by the school, and not necessary to protect the immediate health, and safety of a student or of another student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law.

3. **Inspect certain material**. Parents and eligible students have the right to inspect the following, upon request, before the district administers or uses them:
   - Protected information surveys of students (including any instructional materials used in connection with the survey);
   - Documents used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
   - Instructional material used as part of the educational curriculum.

4. **Receive notification of district policy**. The School District has developed a policy, in consultation with parents, regarding these rights, and has made arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The School District will directly notify parents and eligible students of this policy at least annually at the start of each school year and after any substantive changes are made.

5. **Report violations**. Parents and eligible students who believe their rights have been violated may
file a complaint with:

**Family Policy Compliance Office**

Under state law passed by the Georgia State Legislature in 2007, parents of students who receive special education may choose to transfer their child to another public school or private school in Georgia.

**Public School Choice Options**
A parent can request a transfer to another public school within their school system as long as there is available space at that school and the school has a program with the services agreed to in the student’s existing individualized education program. If the parent chooses this option, then the parent shall be responsible for transportation to the school.

The parent may request a transfer to a school in another school system if there is available space and the system and school has a program with the services agreed to in the student’s existing individualized education program. If the parent chooses this option and the school system accepts the child, then the parent shall be responsible for transportation to a school in that system.

The parent may also request a transfer to one of the state schools for the deaf and/or blind operated by the State Board of Education. Acceptance into a state school will depend if that setting is appropriate for the student’s needs. If the parent chooses this option, then the parent shall be responsible for transportation to the state school. Please contact the Georgia Department of Education for more information about transferring to a State School.

**Private School Choice Option**
If you are interested in transferring your child to a private school in Georgia, you may be able to take advantage of a Georgia Special Needs Scholarship. These scholarships provide funding that can be used to offset tuition costs at participating private schools in the state of Georgia. For more information on the Georgia Special Needs Scholarship and the parent application process, please visit the Georgia Department of Education’s website at http://public.doe.k12.ga.us/.

**Teacher Authority & Administrative Support**
Georgia Code provides that a teacher shall have the authority to remove from his or her class a student who repeatedly or substantially interferes with the teacher’s ability to communicate effectively with the students in the class or with the ability of the student’s classmates to learn, where the student’s behavior is in violation of the student’s code of conduct, provided that the teacher has previously filed a report pursuant to Code Section 20-2-737 or determines that such behavior of the student poses an immediate threat to the safety of the student’s classmates or the teacher. Each school principal shall fully support the authority of every teacher in his or her school to remove a student from the classroom under this Code section. Each school principal shall implement the policies and procedures of the superintendent and local board of education relating to the authority of every teacher to remove a student from the classroom and shall disseminate such policies and procedures to faculty, staff, and parents or guardians of students. Removal from the classroom may mean for as little as one class period or up to permanent removal. It will be the goal and expectation that all parties involved will work to restore the student’s regular placement in the classroom where the student demonstrates appropriate respect for the classroom teacher and the learning environment.

**School Closing Procedure**
The primary consideration regarding whether to have school on bad weather days will be the safety of our children. Heavy rain, and on some occasions, snow and ice, cause some of our primary and secondary roads to become unsafe. If a threat to health and safety exists, school will be dismissed. Once the decision is made the local radio station will be used to communicate the decision. The superintendent will make a decision regarding school closing by 6:00 A.M. The decision will be communicated by WUFF 97.5
FM, or you may tune into Channel 13 WMAZ TV. In addition, the emergency calling system will be utilized. Therefore, it is extremely important to report changes in telephone numbers to your child’s school. The call system pulls numbers from our student information system.

**Discrimination or Harassment**

The Board of Education prohibits discrimination or harassment and retaliation for reporting such acts against students on the basis of race, color, national origin, sex, religion or disability. Students/parents are entitled to express concerns or dissatisfaction regarding discrimination because of race, color, national origin, sex, religion or disability.

The purpose of this procedure is to describe a process that can be used to resolve such concerns or dissatisfaction. Students/parents may discuss matters informally with teachers, counselors and administrators at the school level. Special Education teachers and Special Education coordinator are also available to provide assistance to students and/or parents who feel that the school or school system has discriminated against students with disabilities.

If matters in question in the above paragraphs cannot be resolved informally and the student/parent feels that a formal complaint should be made, then the student/parent should use the complaint process outlined in Policy JAA, which is available on the district’s website.

**Drug Free Schools**

Rationale

The foremost priority of the Dodge County School System is to provide a safe and secure environment for all students with a deliberate consideration for the well-being and health of each individual. An appropriate learning climate must be established and maintained to ensure such an environment. Since alcohol and other drug use is illegal and interferes with both effective learning and the healthy development of children and adolescents, the school has a fundamental, legal, and ethical obligation to prohibit drug use and to maintain a drug-free educational environment.

1. The use of illicit drugs and the unlawful possession and use of alcohol is wrong and harmful. A student shall not possess, sell, use, distribute, or be under the influence of any prohibited drug to include: alcohol, narcotics, depressants, stimulants, hallucinogens, amphetamines, barbiturates, or intoxicants of any kind. Use of a drug authorized by a medical prescription from a licensed physician shall not be considered a violation of this rule.
2. Disciplinary sanctions, up to and including expulsion and referral for prosecution, will be imposed if the standards of conduct are violated. The sanctions to be imposed for violations may include conferences, suspension or expulsion.
3. Information concerning drug and alcohol counseling, rehabilitation, and re-entry programs can be obtained from the school counselor or administrative staff.
4. Compliance with the standards of conduct is mandatory.

As a part of the certain school/educational programs, students will participate in anonymous surveys periodically. If you prefer that your child NOT participate, please notify your child's principal in writing. Otherwise, consent is implied. A copy of all surveys is available for review upon request.

Under the Family Educational Rights and Privacy Act (20 U.S.C. 1232g) (the “Act”). You have a right to:
1. Inspect and review, within 45 days of a request, the education records of a student who is your child, or in the case of a student who is eighteen (18) years of age or older, or those who are emancipated, your own education records. Parents or eligible students should submit to the administration a written request identifying the record(s) they wish to inspect. 2. Request the amendment of the student’s education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights. To request the school district to amend a record, parents or eligible students should write the school principal, specify the part of the record they want changed, and specify why it is inaccurate, misleading or otherwise in violation of the student’s privacy or other rights. If the district decides not to amend the record, it will notify the parents or eligible students of the decision and inform them of their right to a hearing. Upon request, the school district forwards educational records without prior consent to another school in which the student seeks or intends to enroll.
4. Requests for an impartial hearing must be in writing to the school system’s Section 504 Coordinator; however, a grievant's failure to request a hearing in writing does not alleviate the school system’s obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system’s Section 504 Coordinator. The school system’s Section 504 Coordinator will assist the grievant in completing the written Request for Hearing. The Section 504 Coordinator may be contacted through the school system’s central office. Copies of the 504 Procedural Safeguards and Notice of Rights of Students and Parents Under Section 504 may be found at the system website or may be picked up at the central office or at any of the school offices.

Acceptable Use and Internet Safety Guidelines for the Computer Network of the Dodge County School District

It is the belief of the Dodge County School System that the integration of technology into daily academic activities is integral to the success of the school’s instructional programs. It is, therefore, important that the integrity of the equipment, software, and data be maintained for maximum use by every student. In this regard, the Dodge County School System requires that all students who use technology in any form sign the following behavioral contract, acknowledging these guidelines as necessary in order for the school to maintain productive classrooms and equipment.

Student use of the computers, printers, peripherals, and other electronic devices are for educational use only. Each student is assigned a lesson with specific objectives. The teacher will give instructions as to what and how the software is to be used. The violation of the provisions of this policy may result in the cancellation of privileges for computer use and in the some cases, disciplinary action. Before use, all students will be briefed on the aspects of security and ethics involved in using technology. By signing the signature page, the student and parent/guardian agrees to the following conditions:

- Students will not attempt to make any changes in the configuration of the computer system or software, which are not intended by the instructor to complete the objectives in the student lesson.
- Students will not use portable storage devices including thumb drives in the classroom unless the teacher has granted permission to do so. The instructor may request the opportunity to scan the disk and directory before granting permission for use in the classroom.
- Students will never use a game disk on computers at Dodge County Schools.
- Students will not share passwords.
- The use of scanner and/or digital camera are for educational objectives only and will receive prior permission from the instructor.
- Students will not share files or directories. This is considered cheating. Students will respect the work of other students at all times.
- Under NO circumstances will a student login with any credentials other than those assigned to him/her from the network administrators.
- Students will not modify the operating system and network preferences of any workstation. This includes adding/deleting files, changing windows, downloading, installing software, running other software, and changing any files/information on the hard drive/file server.
- Students will not attempt to circumvent the network firewall or internet filtering devices by accessing or attempting to access anonymous proxy sites or anonymous browsing sites.
- Students should report any malfunction of electronic equipment or computers to the teacher immediately.
- Email addresses assigned to students through the Dodge County School System network will be used for educational use only.

Student use of the Internet shall be subject to the provisions of Board of Education policy IFBGA-Appropriate use of the Internet. Students agree to follow all school system guidelines in reference to the Internet.
The Dodge County School District provides great educational benefits to students with the use of the Internet. The Dodge County Department of Technology provides a content filter to help safeguard students and staff from accessing inappropriate websites. Unfortunately, some material may still be accessible via the Internet and may contain items that are illegal, derogatory, or potentially offensive to some people. Access to the Internet is given as a privilege to students who agree to act in a considerate and responsible manner. We require that students and parents or guardians read, accept and sign the following rules for acceptable on-line behavior.

1. Students are responsible for good behavior on the Internet just as they are in school. General school rules for behavior and communications apply.

2. Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files would always be private.

3. The following are not permitted at Dodge County Schools:
   - Sending or displaying offensive messages or pictures.
   - Using obscene language.
   - Harassing, insulting, cyberbullying, or attacking others.
   - Damaging computers, computer systems, or computer networks.
   - Violating copyright laws.
   - Using another’s password.
   - Trespassing in another’s folders, work, or files.
   - Intentionally wasting limited resources, including through the use of “chain letters” and messages broadcasted to mailing lists or individuals.
   - Employing the network for commercial purposes.
   - Revealing the personal address or phone number of yourself or any other person without permission from your instructor.
   - Entering into a social networking site, a chat room, or an on-line messaging service unless directed by a teacher to respond to a classroom blog post.
   - Checking e-mail without permission to do so.

Compulsory Student Attendance

Georgia Code Section 20-2-690.1 establishes consequences for parents and students who fail to comply with compulsory school attendance. The law establishes that:

“Any parent, guardian, or other person residing in this state who has control or charge of a child or children and who shall violate this Code section shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine not less than $25 and not greater than $100, imprisonment not to exceed 30 days, community service, or any combination of such penalties, at the discretion of the court having jurisdiction. Each day’s absence from school in violation of this part after the child’s school system notifies the parent, guardian, or other person who has control or charge of a child of five unexcused days of absence for a child shall constitute a separate offense.”

Furthermore, it is recognized that students who miss more days from school typically do not perform as well in their academic achievement. For both educational purposes as well as for compliance with state law, parents or guardians are strongly encouraged to insure that students arrive at school on time, remain at school all day, and attend school unless extreme and justified circumstances merit their absence. The Dodge County School System’s Attendance Protocol establishes penalties and procedures for enforcing excessive tardiness, early releases, and absences. Violation with the court sanctioned attendance protocol may result in referrals to the Department of Family & Children Services, Department of Juvenile Justice, and/or the Superior Court. Help us support student achievement by supporting student attendance.

Planning Tips

The Guidance Department has prepared some suggestions that we feel will be helpful to you as you make plans for your future. You are planning not only for your high school years, but also for training, education, and employment beyond high school.

1. **Know Yourself.**
   - Achievement, abilities, interests, and ambitions are important factors to be evaluated in setting your goals.
   - Initiative, responsibility, and personality will determine your degree of success.

2. **The World of Work.**
   - Explore the many occupational fields prior to entering high school; evaluate this information as it relates to your self-evaluation. Don’t select an occupational field or goal just because “Uncle Charlie” or “Aunt Jane” is successful or thinks it is for you.

3. **Plan for your vocation as early as possible.**
   - Start planning your future upon entering high school. Get some experiences in the various occupations that interest you. Find out all you can about these occupations. Talk to people actually doing the work in which you are interested. For instance, talk to your teachers about contacting people in careers that appeal to you. (Secure vocational information from updated sources.)

4. **Select your College or Technical School.**
   - Investigate the schools that offer training in the field of your choice.
   - Talk to people who have attended these institutions if possible.
   - Find out the cost of your proposed course of study and what scholarships the school you selected offers.
   - Learn about projected demands for the field of employment you select.

5. **Plan your high school program.**
   - Certain courses are required for entrance to College or Technical School.

6. **LEARN TO STUDY!**
   - Your teachers can help you learn good study habits for various subjects.
   - Work hard to constantly improve your study habits. You’ll be glad you did.

7. **Strive for good grades.**
   - Grades of “B” or better are called “recommended” grades. You must have recommended grades to be eligible for most scholarships. Good grades are important. If you are not getting recommended grades, talk to your teacher about your difficulty.

8. **Become a well-rounded individual.**
   - Develop hobbies.
   - Participate in school, community, and church activities.
   - Broaden your field of interest through reading and contacts with people.

9. **Plan Finances.**
   - Parents and students should consider the combination of savings, scholarships, loans and part-time student jobs when planning the financing of higher education. (Get new information.)

10. **Learn about College or Technical School acceptance.**
    - A few degree-granting institutions require applicants to take admission examinations of some kind. Secure information on these tests from the Admissions Office of the University/College or Technical School that you plan to attend or from your high school counselor.

11. **Prepare for scholarship applications early.**
- Get references, transcripts, and other materials in order before the deadline.
- Obtain scholarship application blanks by December 1 of the year before you expect to start college.

**Seven Habits of Highly Responsible and Successful Students**

1. Set Goals - Goals help you focus on what’s important. You will say “yes” to the vision of your future.
2. Plan Your Time - Use a calendar; write down commitments.
3. Study Every Day - Review vocabulary words, notes, etc.
4. Take Notes in Class - Take notes when the teacher is talking.
5. Have Your Tools - Remember to have paper, pencils, and books.
6. Keep your Commitments - Do your assignments well and on time.
7. Get ready ahead of time - Being late or early is a choice you make.
